## JANDSON HOMES INVOLVEMENT

Jandson Homes is one of Sydney's most respected and professional project home builders.

We have over 30 years of extensive experience in residential construction. In addition to the demolition, site works and construction, we also help our clients with the technical, administrative, and certification requirements of their home build. Let us work with you.

## INNOVATION RELIABILITY CONSISTENCY

**DO YOU LIVE IN AN AREA THAT YOU LOVE, BUT HAVE EITHER OUTGROWN YOUR HOUSE OR WOULD JUST LOVE A NEW HOME IN A GROWING AREA OF SYDNEY? HAVE YOU CONSIDERED KNOCKING DOWN YOUR OLD HOME AND RE-BUILDING OR PURCHASING A NEW HOUSE AND LAND PACKAGE?**

Jandson Homes are new home builders who build on a wide variety of Sydney blocks, and have a range of home plans for every type of home site imaginable - including narrow, courtyard and conventional home sites as well as shorter, sloping, battle-axe and corner home sites. We know what it means to live happily in an area where your kids go to school, where your friends and family live, and where you are part of the community.

Over our 30 years we have built townhouse developments, low rise units, aged person units, duplexes, developed land and built many single homes. We began building in 1986, and since then we have completed over 3,500 homes. These days we prefer to focus on single homes, House & Land packaging and more recently integrated housing.

Today Jandson Homes has home designs for almost all land shapes and sizes and when coupled with the many Council areas we are currently building in, we are proudly a market-leader in the House and Land packaging arena.

**JANDSON HAS BEEN AN ACTIVE MEMBER OF THE BUILDING INDUSTRY BELIEVING THAT WE CAN ONLY EXPECT TO GET BACK FROM THE INDUSTRY WHAT WE ARE WILLING TO PUT IN.**

We have been an active member of the Housing Industry Association, sitting on various committees, including the NSW Executive, over a 20 year period as well as various Government working parties and committees. We have strong relationships with various land developers in Sydney such as Lendlease, Crownland Developments and Vantage Property. We work closely with Developers to conceive designs that integrate with the surrounding Landscape and achieve the desired outcomes for proposed residential communities.

The management of Jandson Homes strongly believes that participating in our community is essential for our future. We have worked with TAFE to develop innovative training programs for apprentices, support local sports clubs, contribute to various charities and sponsor children in third world countries.

We want to share our extensive knowledge and expertise with you, and help you choose the right builder, the right design, and the right inclusions.
