STELLAR 22 MkII MODERN

JANDSON HOMES IS PROUD TO PRESENT OUR STELLAR RANGE OF HOMES.

Our Stellar design has been a client favourite for over 20 years. We are proud to present the new Stellar 22 MkII. New additions include a revised Modern façade, larger Master bedroom, walk in Pantry and a massive increase of 38sqm in overall size. The MkII can be sited on land 10m* wide.

All Stellar homes offer the same functionality you would expect from a modern-day two storey home. Open plan design, private Living and Study areas, integrated Alfresco and separated bedroom areas for all family members. We offer a number of Façade and internal fit out options. Talk to our sales consultant to find out more about our Stellar range of homes.

**Only if home is positioned on a zero lot.*
